

Uliana Andriireshyna

Curriculum Vitae

Goal: As a master student on Faculty of Computer Science (TU Dresden) currently I am working on my Master Thesis and looking for a possibility to realize my knowledge and experience in a company of my professional field.

Experience

- 07.2013– **Intern in IBM Research and Development, Germany, Boeblingen**, International
09.2013 Extreme Blue Project 2013, Project Name: "Portal to Sensor-Driven Personalization" .
UI design and front-end development(jQuery, HTML5, JSP); graphic and content composition of posters, presentations, mockups; presentation and defence of results at the Expo in Boeblingen, Hursley(UK) and Ehningen IBM Lab
- 11.2011– **Intern in company sodocu UG, Dresden**, User Interface development; Data structuring
04.2012 from all over the company by using SharePoint 2010; implementation of a single catalogue to provide convenience and efficiency of data retrieval system.
- 02.2011– **System Analyst of VAS Solutions**, MOBILE OPERATOR "LIFE;)" (FULLTIME EMPLOY-
08.2011 MENT), Kyiv, Ukraine.
Business analysis of telecom products (MMS, SMS, Internet); project management of a middle - size projects; definition and appliance of a business logic to implementation of new tariffs, campaigns, VAS platforms and IT projects by addressing the needs and requirements of business groups and departments
- 08.2009– **Technical Support Engineer of GSM network**, MOBILE OPERATOR "LIFE;)" (SHIFT-
02.2011 WORK), Kyiv,Ukraine.
Monitoring and technical support of GSM network in 24/7 shift-schedule; assign accessibility and availability of network; detection, identification and classification of arising problems and troubleshooting

Education

- 10.2011– **Masters student**, *Dresden University of Technology*, Faculty of Computer Science, Spe-
Present cialty: Distributed Systems Engineering(DSE).
Dresden
- 09.2008– **Master of Telecommunication** , *National Technical University of Ukraine "Kyiv Poly-*
06.2010 *technic Institute" (NTUU "KPI")*, Kyiv,Ukraine, GPA A,1.3.
Specialized in Information Communication Networking

Deutschland – Dresden, Sachsen 01097

T (+49176) 51844353 • B uliana@uliana.me • uliana.me

1/3

- 09.2004– **Bachelor of Telecommunication** , *National Technical University of Ukraine "Kyiv Polytechnic Institute" (NTUU "KPI")*, Kyiv,Ukraine, GPA A-,1.7.
Specialized in Information Communication Networking
- 09.2001– **Physics - Technical Lyceum**, *Kherson*, Ukraine, Physics- Mathematics profile.
06.2004 GPA B,2.0

Latest Publications

- April 2010 **Uliana Andriieshyna and Maksym Ternovoy: "Mathematical concept and software implementation for Smart Audiences"**, *In Proceedings of the 4th International Conference PT2010 Telecommunication Problems*, page 96, *Industrialny side street 2, NTUU KPI building 30*, Kyiv 03056, Ukraine, April 2010.
Publishing House of NTUU KPI
- September 2008 **Uliana Andriieshyna and Maksym Ternovoy. "Pervasive Computing usage for realization of conception "Smart Audience"**, *In Proceedings of the 18th International Crimean Conference Microwave and Telecommunication Technology*, pages 368 - 369, *September 2008.*, Universitetskaya Str. 33,Sevastopol 99053, Ukraine.

Scientific Interests

- Adaptive UI/UX development
- Big Data querying and aggregation within a personalized clien-controlled interface
- Analysis and modeling of processes in IT and Telecommunications
- Distributed Information Systems based on wireless technology and mobile computing
- Middle-sized project management

Computer Experience

WEB technologies	HTML, LESS/CSS, adaptive design, Fluid Grid frameworks
Operating systems	Windows, GNU/Linux (Ubuntu) user
Programming	JavaScript (jQuery); Java SE and Android fundamentals
Development tools	Git, Eclipse
Management systems	MS Project, SharePoint, Citrix, basics of SAP CRM
DBMS	IBM DB2 (IBM Certified Database Associate, February 2012), MySQL
Graphics	Adobe(Photoshop, Illustrator, InDesign)
Telecom.	GSM, SS7, TCP/IP stack, DWDM systems

Languages

Ukrainian	Mothertongue
Russian	Mothertongue
English	fluent in spoken and written
German	good knowledge in spoken and written (Niveau B2)

- Personal skills: responsible, diligent, executive, communicative, quick-learner
- Interests: traveling, reading, cooking, photography, sport
- Recommendations: Mobile Operater "Life;"(Ukraine), sodocu UG(Germany), IBM
